INSPIRE CHALLENGE ACHIEVE

Dear Parent/Guardian,

We can now confirm that Griffithstown Primary School is not able to offer lessons during the school day, and therefore would like to ensure that all pupils have had the option to enrol for online lessons in order to continue making progress.

If you are not already receiving online lessons via a private tutor, or have other children who would be keen to start, please do so as soon as possible at www.gwentmusic.co.uk/parent.

The terms and conditions relating to online tuition can also be found by following the link below:

<https://www.gwentmusic.co.uk/wp-content/uploads/2020/03/Terms-Conditions-Online-Enrolments-v1.2.pdf>

The lesson durations available are 20 min individual and 30 minute individual. You can choose monthly or termly payments. If you pay termly then your payment will pay for tuition to February half term. If you pay monthly, then you will need to set up a standing order, after making the payment when enrolling. We are unable to start tuition until the first payment has been received.

Pupils eligible for free school meals can access a 20 minute lesson free of charge for the remainder of this term, subject to availability of funding.

Thank you for your patience at this difficult time.

Best wishes,

Emma Archer
