### PDG Impact Report for 2017 - 2018

#### Grant for 2017 - 2018

Pupil Deprivation Grant (PDG): **£60950**

PDG (Early Years): **£15600**

#### Introduction

Throughout the year the performance of our pupils eligible for free school meals (eFSM) has been closely tracked. Each term those pupils who have been deemed as 'off track' to achieve their set target have received bespoke intervention to provide them with every opportunity to achieve their set target. (Refer to previous tracking reports for further details.) Key Questions: Have our pupils eFSM achieved a) their set target and b) the expected level c) the above expected level in the core subjects?

## Conclusion

Overall our pupils eFSM have performed well to achieve their set targets. The pupils have been tracked throughout the year and intervention has proved to be effective.

In Foundation Phase, pupils eFSM have mostly achieved the expected outcome in the core subjects with 19 out of 26 pupils achieving the FPI. One area where pupils did not achieve the set target was in Y2, PSD at the above expected outcome. On closer analysis many of these pupils make up our traveller community. Point to note when allocating staff next year.

C PUGH (DEPUTY HEADTEACHER)

In Key Stage 2, pupils eFSM have performed very well. Only two pupils across the phase didn't achieve their set target. Most pupils in the phase achieved the expected outcome and the CSI. However, few pupils achieved the CSI at the above expected level. Issues which existed last year, around pupils in Y3 failing to achieve the expected level in Science and thus impacting on the CSI appear to have been addressed.
